Sounds of Skynyrd is a tribute to the raw, powerful sound of early **Lynyrd Skynyrd**—before the arenas, before the reunions—just straight-up Southern rock the way it was meant to be. With a lineup of seasoned musicians, the band delivers authentic, high-energy performances of classics like *Sweet Home Alabama*, *Simple Man*, and *Free Bird*. Dedicated to the spirit and sound of the original 1970s Skynyrd lineup, *Sounds of Skynyrd* brings the fire, the soul, and the swagger that made the band legendary.
